

THE GAZETTE.

TUESDAY EVENING, JULY 8.

A VIRGINIA TODDY.—Judge Harris, World's Fair Commissioner from Virginia and temporary chairman of the commission during its preliminary deliberations, went into the annex of his hotel accompanied by several friends, who left to the Judge as to what the social mixture would be. The Judge, says the *Chicago Tribune*, complimented by this deference, said in his most charming way: "Bah keepah! Let it be an old-fashioned Vaginary today. And I tell you how it's done. Put up the glasses on the bar with fill 'em with ice. Then put in some strup and then some Kaintucky whisky—it must be Kaintucky—and stir with a spoon. Drink. In this way you get ice from Wisconsin, whisky from Kaintucky, and you avoid polluta! the coating of the stomach with your vile Chicago water. That's a Vaginary today. I was in Chicago some years ago and took a drink of that stuff you folk call watah, and damme, sah, if I didn't come putty nigh dy!"

NATURE'S QUEER FREAK.—On May 22 Mrs. J. S. Norton, of Backlick, Ky., gave birth to what at first was supposed to be twins. Imagine the consternation when the doctors discovered that while there were two heads and four feet there was apparently only one body. The lower and upper extremities of the body were perfectly formed and had all the power of action even in newborn children, but from the collar bone down about two-thirds of the body, the bodies were grown together as firmly as though only one child. The two boys are healthy, and give every promise of living to better the medical fraternity in telling just how it happened. The double boy weighed ten pounds, and its parents are now at a great loss to know whether they have two children or one.

Democratic Congressional Convention.—At a meeting of the Democratic Committee for the Eighth Congressional District of Virginia held in the city of Alexandria on the 20th day of June, 1890, the following resolutions were adopted:

1st. That a convention be held in Leesburg, Va., August 20th, 1890, at 12 o'clock noon, for the purpose of nominating a candidate for congress from this district.

2d. That the basis of representation shall be one delegate for every one hundred and fraction over fifty votes cast for Governor McKinney.

3d. That the committee suggest that primaries for the selection of delegates to the convention be held in all the counties of the district on the same day, August 9th being recommended.

LEONARD ARBURY, Chairman.
GEO. S. SHACKLEFORD, Secretary.

"POISONED!"
Two hundred and thirty-six persons died recently from the effects of poison taken in ice cream and pastries flavoured with adulterated flavoring extracts. Do you want to be poisoned? Then be careful when you eat ice cream or pastries. To avoid proper material flavoring requires a thorough knowledge of chemistry, without which one assumes great risk of doing harm. Ask for Stonebraker's Concentrated Flavoring Extracts. They are the world's standard and insured on the best in use by James L. B. Baker, Washington, D. C.; Hotel Rector, Baltimore, Md.; Abner Hotel, Pittsburgh, Pa.; Lewis Hotel, Richmond, Va.; New York City, Philadelphia, Pa.; Chicago, Ill.; Boston, Mass.; Paris, France, and all first-class restaurants, hotels and pastry manufacturers throughout the world. Have on hand a very large and well assorted stock of goods in their line. Country merchants are invited to call and examine before purchasing. Satisfaction guaranteed. Call and see. [an1]

Summer Goods at Miller's.
We have very superior articles in FLY FANS and at a very low price. You will certainly need one this summer, and before buying look at ours. No key needed to wind them up. Also a very superior make of WATER COOLERS and REFRIGERATORS. We sell the "ALASKA" REFRIGERATOR, which used only 12 lbs of ice to its nearest competitor's 17 lbs at the New Orleans Exposition. This is a great point when you consider how scarce and high ice is this season. It will pay you to see these goods as we will thoroughly recommend them and guarantee satisfaction.

We are constantly receiving NEW GLASSWARE, the latest productions of the market, and you can find excellent substitutes for Cut-Glass in some of these patterns.

FRUIT JARS AND JELLIES are much cheaper than they were last season, and you will find the very lowest figures at our store. Have you seen our NEW JAM JAR? If not, do not "put up" any Jelly until you have seen it. It is a long-felt want. Goods arriving every day.

BARGAIN IN FINE CHINA TEA SETS.
We are able to secure from the importer in New York last week a hoghead of VIENNA CHINA TEA SETS at a greatly reduced price, which we invite you to call and examine during the coming week. There are two shapes, and you will have to come early if you want to get the prettiest. You will be surprised to find how very cheap they are, and if you contemplate buying a set do not put it off, as you may not have such an opportunity again soon.
